*For 87 years, Marin Stables has been giving the gifts of equine education, hope and joy!*

## MARIN STABLES MEMBERSHIP REQUEST...JOIN TODAY!

As the only public barn left in Central Marin, MS&T is dedicated to preserving this historical site and continuing to share the magic of horses with the Marin community. Since its inception in 1937, it has served as a hallmark of quality community involvement and equine education.

MS&T was able to advance its objectives in 2023 with the support of our donating members, the Marin Stables staff, MMWD and our volunteers, allowing us to make necessary improvements to the main barn and arena and serve numerous community groups through our outreach programs.

### These programs include:

- Ongoing and continual education of water district users about horses and the environment. Our number of visitors per week averages well over 100
- Flora and Fauna Educational programs focusing on managing invasive species
- Equine Educational programs for youth groups
- Santa Cop Toy Drive during Christmas
- Woofs and Whinnies equine-canine program in conjunction with Marin Humane Society

*With your support, together we make it happen!*

With your generous help in 2023, we were able to complete the project of upgrading the Hay Barn both structurally and electrically, which improves the safety of our staff and horses. Because of you, Marin Stables remains a premier example of a green equine facility and continues to support Marin Municipal Water Districts plans.
